# PRAYER

Jesus, I thank you for my children.

I thank you that they are men/women of peace, power and of purity. I ask that you would send your angels to surround them and protect them. I ask that you would fill them afresh with your Holy Spirit and that they would be a blessing to their teachers and classmates today, bringing joy and peace to their classroom. I thank you that they are the head and not the tail. I thank you that they are on the offensive and not the defensive. I thank you that wherever they go they bring the Kingdom of God with them. I thank you that they have access to everything they need in Christ Jesus and that you have given them the mind of Christ to be able to learn well and to approach situations with wisdom. I ask that they would have an amazing day and feel your presence all day long. In Jesus' Name, Amen.
